Next Sunday, **June 28<sup>th</sup>** is **Pot Luck Sunday**. Bring a dish to share and we will sit down together after Talk Back and enjoy some good food and conversation. After the Pot Luck, we are going to review our UUFL website using our new AV equipment, Tina's laptop (Barbara is going to operate it), and a cell phone that can connect to the internet! All those interested in helping improve the website are invited to participate.

Next week's program is entitled "How Architecture Affects Your Worship Experience" and will be presented by Tom Stovall. Tom is a retired architect with many years of experience designing churches and sacred spaces. He is a member of the Tyler UU Fellowship. This is one of our ongoing series of reciprocal programs with our sister fellowship in Tyler.

**Amanda:**

Watch your email inbox for "Survey Monkey." I have finished composing the survey questions regarding your main interests for program topics.

It is time to re-enroll in **Kroger's Neighbor to Neighbor Donation Program!** Kroger makes annual donations to qualifying schools, churches, and other charitable organizations in the communities where they do business. Last fiscal year we received \$162.00.

I have re-enrolled the Fellowship for the new fiscal year which begins July 1st. Every time you shop at Kroger's and use your Kroger card, you earn a donation for us. In order for your purchases to be credited to our Fellowship, your Kroger card has to be linked to the Fellowship's Kroger Neighbor to Neighbor account. That gets done when you take the **Customer Letter** to Kroger's with you and have our barcode scanned along with your Kroger card. You only have to do this once a year. If your friends and family want to help us with this fund-raiser, they are more than welcome to do so! So feel free to share your customer letter with them or take a few extra to distribute.

You can pick up a copy of the Customer Letter from the table in our lobby, or you can click on the link below and print as many as you want!
