After two years of working at the Caddo Correctional Center and the Parrish jail, Sherry will share with us what she is learning about people, families and life, and how our Unitarian Universalist faith has been beneficial in preparing her to work with people. Sherry said, going to jail (to work) has been one of the best learning adventures of her life. And she is eager to share that adventure with us. Barbara Cavin will be our Lay Leader.

East Texas CASA Fundraiser

Sarah Radulescu described the March 27 party to raise funds for East Texas Child Advocates: "Live music from Diddy Squat, food, beverages — it's a good date night at a great price for a good cause."

Harley Davidson of Longview owner Gail Calhoun said party-goers would be entertained by the bikers. Some scooter games, out-of-the-cage contests from the fun-loving biker's world, have been modified for indoor competition. "Two hundred-pound boys on tricycles, little bitty tricycles," Calhoun described one race.
