Farmers Market

Danielle Heard has been working to set up a farmer's market in Longview and it is scheduled to open May 15th. This is an opportunity to spend your food dollars on locally and organically grown fruits and vegetables.

The Board has allotted \$150 for a **banner** with our name on it to be displayed at the market as a supporter of this community project. Amanda is designing it. Take a stroll around the farmer's market; luxuriate among all the luscious fruits and vegetables; check out what else this market has; and check out our banner!

Danielle writes on her blog: "The new farmers' market will open on **Saturday, May 15**, 2010 in downtown Longview, Texas on the historic Kelly Plow Works site which is located at High, Cotton and Center Streets. The market will be open initially on Saturdays and will expand as the growing season develops. The hours of operation will be 8:00 AM - 1:00 PM each day the market is open. "
