

UNITARIAN UNIVERSALIST FELLOWSHIP of LONGVIEW

Announcements

Marolen:

Next week we will have no speaker. Instead, this is an opportunity for *you* to speak to the congregation about a current event or issue that is important to you. Speaking time will be determined by the number of speakers. Come and share your thoughts and opinions and hear what others have to say.

Ellen:

Because not too many people were able to attend last year's fund-raising New Year's Eve Party, I have decided to give much more time for scheduling this event in our busy lives. Accordingly, you are hereby invited to celebrate the coming of the New Year at my house on December 31 from 8:00 pm until midnight. There will be champagne and hors d'oeuvres (tea for teetotalers), live music and sparkling conversation. Pick up a flier in the lobby (you can't miss them, they're chartreuse) or contact me. RSVP eremench@yahoo.com

Tessa:

There will be a question and answer session about health care at the Senior Center on Fourth Street across from Longview Regional Medical Center on June 10th at 6:30 pm.

Sky:

We have received this year's check from Kroger's for our participation in their Neighbor-to-Neighbor program. Thanks to all of you who shopped at Kroger's and helped us earn this donation in the amount of \$134.28 to our Fellowship from Kroger's. The Board has approved our continued participation in the Neighbor-to-Neighbor Program and I am in the process of filing the necessary papers. I will keep you informed of what you need to do to help us earn another donation in the program that will begin July 1.

This month's edition of UU World has arrived and I will put the magazine in the lobby for anyone who would like to browse through it or take it home and read it. (Please return it to the lobby when you have finished.) If you are a member, you should be receiving this magazine quarterly from the UUA. If not, please contact me and I will correct the situation.

Gayle:

My daughter, Dannielle, is one of the founders of the Historic Longview Farmers' Market that opened for business (and learning) May 15.

Danielle says in her newsletter:

This is a volunteer operation and needs community support to keep it running. We are in great need of volunteers who would like to participate with helping set up and tear down the market each day it is open as well as volunteers to work the information booth to provide information to the customers. The market is open on Saturdays from 8:00 AM - 1:00 PM. Beginning mid June the market will expand to include weekdays (Mon, Wed and possibly Friday) as well as Saturday.

If you have an interest in donating some of your time to this very important effort to bring fresh, local and sustainable food to our community, please let me know. We would love for you to join us in bringing this wonderful market to our community. Please also tell your friends who may have an interest in participating.

If you would like delicious organic vegetables...come early! I hope to see you there!

Danielle
