

UNITARIAN UNIVERSALIST FELLOWSHIP OF LONGVIEW

WEEKLY ANNOUNCEMENTS

SUNDAY, JULY 25, 2010

Announcements are mailed weekly to friends, members, and visitors who have listed their email address on our visitors log in the foyer at the fellowship. If you know anyone who would like to be added to this list, reply to this message with the information (with their permission, of course!) If you wish to be removed from this email list, reply to this message stating your wish and I will promptly remove you. I will bcc all recipients of the newsletter. If you should like to contact a UUFL friend or member by email, please refer to the printed UUFL directory. Alternatively, you may email me the request and I will provide your information to the person you wish to contact. Thanks to all for your participation at UUFL!

Celeste Fisher

Marolen Mullinax presented a program Sunday, June 25 at the Tyler UU Fellowship entitled "This Is Madness." Her topic is inspired by the quote, "May our madness be in balance with our sanity to stimulate our creativity in a way that brings good things to life," from a sermon by REV. S A Trumbore. She will also present this program to the UUFL on Sunday, August 1, 2010. UUFL member Tina Rushing will be the Lay Leader.

Sky Mitchell

Beloved UUFL Member Gabi Owens is moving soon to Germany. We will miss her desperately while she is gone! (She will be maintaining her current email address and correspondence can be directed there.)

Huey Mitchell

We need a tree doctor! If any of you are skilled in diagnosing and/or treating sick trees, your knowledge would be so helpful. We have a Dogwood tree on the UUFL property that needs some special attention and TLC. Please contact Huey Mitchell for details on how you can help.
