I gave someone a copy of the latest version of the UUFL Directory and I cannot remember who it was. I need to borrow it back, so please check to see if you have it.

If you need a pet sitter while you go on vacation this summer, our son Robert is providing that service while he begins the arduous journey of college student. Call him at home (903-553-0353) or on his cell phone (903-261-4171). Reasonable rates!

Our daughter, Danielle, sends her thanks for all the support she has received from our Fellowship in her Historic Longview Farmers Market venture.

And here's a picture of the banner the UUFL bought to support the market and promote our presence in the greater Longview area.

We have received the August edition of the Sunshine Cathedral's daily inspiration. It is in the lobby and you are welcome to take it home. Please return it to the Fellowship when you have finished with it.

Remember ~ the children are crushing aluminum cans so they can earn money for the R E program. Bring your empties to the Fellowship!
