

# UNITARIAN UNIVERSALIST FELLOWSHIP OF LONGVIEW

## ANNOUNCEMENTS

August 18, 2010

### **Sky**

We're in *Dear Abby*! I was reading the Longview News-Journal the other day and skimming over the questions in *Dear Abby* when "Unitarian Universalism" caught my eye. I have posted the article on our website. If you would like to read it, go to [uulongview.com](http://uulongview.com), click on News & Photos, click on Scrapbook, and then click on Dear Abby. The reference to UUism is in the last question/answer item. This was on Page 4B of the LN-J Monday, July 26, 2010.

When I finished working on the latest edition of the UUFL Directory, I put all the data on a CD. I made a copy of the CD and gave it to someone at the Fellowship. Well, I've misplaced my CD so I need to borrow the copy I gave to someone ~ but I can't remember who I gave it to. So, if you have a CD of the UUFL Directory, I need to borrow it. Thanks!

Next Sunday, August 22, Unni Varier will present a program entitled "Hinduism Offers Ideas For A Purposeful Life." It will be a general discussion on Hinduism, more specifically on the teachings of the Bhagavad-Gita, one of the ancient and highly revered Hindu texts. These principles are applicable by anyone that wishes to lead a meaningful and productive life in these challenging times. Barbara Cavin will be our Lay Leader.

### **Celeste**

The City of Longview has sent out a mailing that includes information on activities that everyone is invited to participate in. If you are interested in seeing what the city has to offer, this information will be in the lobby.

### **Julie**

I will be unable to attend the annual NTAUUS Board Retreat that will be held August 27 & 28 in Dallas. If there is someone who would like to go in my place as the UUFL rep, please let me know. ([juliehh@juno.com](mailto:juliehh@juno.com) or 903-663-8842) See the attached PDF file for more details. And my newest grandchild has arrived! He was born Sunday, August 15, 2010 at 9:58 am and weighed in at 7 pounds 4 ounces. While Grandma, Mom and Dad are ecstatic, his older brother is more impressed by the fancy hospital bed with all the buttons to push.
