

UNITARIAN UNIVERSALIST
Fellowship of Longview

ANNOUNCEMENTS

August 25, 2010

Marolen:

Next week's program is "On Being Wrong" and Megan Dalby-Jones will lead us on an exploration of this topic. Megan is an exceptional speaker and always comforts, challenges and enlightens us.

This will also be **Pot Luck Sunday** because it is the last Sunday of the month. So for both spiritual and physical nourishment, join us in community this Sunday.

Jessica:

I am concerned about the quality of water in East Texas. Rick Loweree has recently written an article published in the Longview News-Journal exposing what is going on at the state level regarding how much bacteria is allowable (read: how many people it is okay to sicken) in our water. I would like to work with others who are interested in monitoring this ongoing debate and speak up for clean water. Please contact me if you would like to work with me on this issue. (903-759-2682 or jessica12@cablelynx.com)

Ellen:

I am in the process of establishing an Artist's Residency Program in a 2300 square foot house north of Tyler as a Gallery/Studio/Residency program for up to three emerging artists at a time to stay and work.

I am looking for advisory board members and hope to raise \$5,000 to provide needed kitchen, floor, and bathroom renovations through fundraisers and donations. Artist residents will be asked to pay a small fee to cover utilities and will be expected to provide their own food and transportation.

Bimonthly weekend Saturday Gallery shows/openings are anticipated. Contemporary, landscape, video, performance art, sculptors - all are welcome.

For those interested: the first monthly meeting will be held August 29, 2010 at 3:00 PM at my home (1307 Inverness, Longview ~ refreshments provided). Contact Ellen Remenchik for more info at eremench@yahoo.com or 903-553-0353 in the evening.

Flyers are in the lobby about all this.

Sky:

Jessica lit a candle for Helen who has recently undergone reconstructive surgery. We will have a card at the Fellowship this next Sunday for you to sign. If you would like to send your own card to Helen, her address is

And a reminder that the Suggestion/Squawk Box is always ready to receive your input ~ there is paper and pen right there for you to use in the moment's inspiration. Feel free to let us know what you are thinking would make the Fellowship even better than it is. It is on top of the book shelves on your right as you enter the lobby.
