

# UNITARIAN UNIVERSALIST FELLOWSHIP of LONGVIEW

## ANNOUNCEMENTS

### & REMINDERS

#### **Sky:**

It is going to be busy at the Fellowship over the next few days!

- Friday ~ Sierra Club film, *Coal Country* - doors open at 6:30, movie starts at 7:00, discussion afterwards
- Saturday ~ rehearsal dinner for Lilly & Zack's wedding
- Sunday ~ wedding, 5:00 PM

#### **Jessica:**

We have some azaleas who will be needing a new home. If you have an area around your house that has partial shade and you can keep the soil moist, they would be happy there. Just let Jessica know how many you would like.

#### **Marolen:**

We will have a special guest speaker Sunday, November 15th. Her name is Linda Streeter. She is the Executive Director of East Texas Child Advocates. There will be a short film and then Linda will speak to us about children who have been removed from their homes and placed in the foster care system. These children need adults (special advocates) who can speak for them in court. Come and learn about this important topic.

#### **Barbara:**

There is a basket in the lobby labeled "Food Basket." You are invited to bring canned goods and other non-perishable items and put them in the basket for the one-day food drive organized by the city of Longview. When it is full, I will see that it gets to the Maude Cobb Convention Center by November 23rd. If you can go to the supermarket and buy whatever you would like to eat, share some of that good food with people who cannot afford to buy the food they need.

#### **Celeste:**

Saturday's Garage Sale was another good fundraiser for the Fellowship. We made about \$280. We have sold everything except three large furniture items ~ very nice chairs. One is a platform rocker. If you know anyone who needs a good chair, we can help them out. Just let me know: [celeste551@yahoo.com](mailto:celeste551@yahoo.com) or 903-472-8227.

#### **Amanda:**

The winning ticket was drawn for the vacation week at Silverleaf Resort's Lake Palestine location on Sunday by visitor Josef Ferguson at the Fellowship during announcements Sunday.

And the winner was Marolen!!!!!!! (we are all invited out to the lake for a party ..... not really ;-)
